## **Jolt Credit Union Presents the 9<sup>th</sup> Annual Brew Ha-Ha**

**January 17 & 18, 2020**

Brew Ha-Ha returns to The Dow Event Center January 17 & 18, 2020. With two comedy shows each night, over 40 breweries featuring over 160 styles of beer, cider, and meads, the popular annual event promises to be a fun night out in Downtown Saginaw.

This unique and exciting event combines the growing popularity of craft beer and pairs it with two comedy shows. Patrons receive sample tickets in which they can select from a 3 oz pour of beer, cider, or meads. Additional sample tickets may be purchased and each patron receives a souvenir pint class.

This event appeals to a wide audience for the casual craft beer fans with more than 40 breweries and 160 styles to select from.

On the Friday evening event, there is a pairing dinner featuring five courses with five craft beer pairings.
